

ALL AROUND COVERAGE

The first impression of a company is highly influenced by the appearance and aesthetics of its facility. At Canopy Solutions we design-build high-quality, life-long aluminum canopy and shade systems to outfit buildings with functional beauty. It's our belief that quality covers everything, and through precise fabrication and quick-turn times, we deliver cost-effective solutions to make a company's entrance as grand as it can be.

WITH STYLE AND PURPOSE.

Grand entrances are made with the right partner. Our goal is to assist architects and their clients with our product experience and industry specific knowledge to turn your design and vision into reality. This partnership ensures that you get the highest quality system with the most efficient use of your time and budget.

NO JOB
TOO BIG.

NO JOB
TOO SMALL.

WE COVER
IT ALL.

■ ■ Canopy Solutions brought a level of expertise, professionalism and quality to our project. Their preplanning, spot on budgeting and careful coordination was invaluable. The owners take a special pride in their work and it shows. ■ ■

DESIGN. BUILD. DELIVER.

Our Canopy and Shade Systems are perfect for all building types. From start to finish, we design, fabricate and install your project to exceed all aesthetic and structural requirements.

As courtesy to our clients, we offer complimentary design and budget review on potential projects. This reduces unforeseen schedule and cost impacts during construction.

At Canopy Solutions our approach has been to develop long term relationships by providing high-quality products, on time, every time. We value our customers and pride ourselves on our percentage of repeat business.

■ ■ It was a pleasure working with you and your team and would not hesitate to contract with you in the future. I am very satisfied with Canopy Solutions' pricing, speed of installation, and quality of work. ■ ■
